Attention: Ms Seana Richardson, Aggregate Technical Specialist

Dear Ms. Richardson:

Subject: Greenwood Aggregates Ltd.
Class "A", Category 3, Pit Licence Application
Part Lots 30, 31, & 32
Concession 4 E.H.S.
Town of Mono
County of Dufferin

Please find attached the site plans and supporting reports for the above noted application as required by the Provincial Standards made under the Aggregate Resources Act. Two copies of the package are enclosed.

This includes the Application Form, application fee, Letters of Incorporation and land ownership documentation.

The licensed area is proposed to be 146.5 Hectares, with 83.7 to actually be extracted. The tonnage limit applied for is 1,000,000 tonnes per annum.

The lands are currently designated "Rural" on the Town of Mono and County of Dufferin Official Plans. Official Plan amendments and a zoning by-law will be required. It is anticipated that those applications will be filed concurrently with the ARA application.

Should you have any questions, or require further information, please contact Craig Laing (705-440-0141) or myself at Greenwood Aggregates.

Yours Truly

A handwritten signature in blue ink, appearing to read 'S. Greenwood', is written over a horizontal line.

Sam Greenwood.
